Jim,

I understand through Greg that Mr. Stanislaus is trying to reach MG Yenter - he is currently out of the country.

I've informed Mr. Lloyd Caldwell, Director of Military Programs (my boss - Tier 2 SES) and Karen Durham-Aguilera, Director of Contingency Operations (also Tier 2) of Mr. Stanislaus potential interest for a call. On standby to arrange as needed.

My BlackBerry is 202-288-2143. I'm at a forum in Texas, but able to break out at any time. Please let me know how we can help you.

Karen
